ARAB ARTS INTERNET MAGAZINE:

ISSUE #6 مجلة إلكترونية للفنون العربية

#6

perfect yet flawed

presented by GANZEER.COM

Shakloh Mag is a free monthly PDF entirely visual magazine acting as a space of expression and promotion for Arab artists, designers, typographers, and photographers. Each issue is announced with a theme, and contributing artists are asked to create a visual in accordance with that theme.

The word “Shakloh” is Arabic for “looks like.” Artists create what that theme “looks like” in their heads, and have it fly on the World Wide Web for all to download and experience. Shakloh Mag is a chance for Arab artists to experiment outside the strict confinements of commercial work-for-hire, speak of their hopes, dreams, and ideologies in the one language unconfined by geographical, political, cultural, or racial boundaries; art, and have it all exposed to the world.

All contributions remain the complete property of their rightful artists, who are credited at the end of each issue.

Shakloh Mag is electronically published by Ganzeer:
